

### Youth Summit & Job Fair

The Tampa Bay Summer Hires (TBSH) Youth Summit was a big success! A special THANK YOU goes out to all the staff that helped coordinate and allowed the event to run smoothly. The summit was split across 2 days: The first day of the Summit on Tuesday, May 31st, was filled with engaging career readiness instructional lectures to help participants succeed in the program and the workforce. On the second day of the Summit, nearly 250 young adults and 84

employers attended to help make it a success.

On Wednesday, June 1st, the Paid Work Experience (PWE) Job Fair aimed to place participants into summer jobs. Excitement filled the rooms as participants were hired on the spot by different employers. Watch more of the job fair here: <https://youtu.be/VYbdx1x1x1x>
